A Book That Brings Happiness

I know that no man remains a weakling because he wants to; I am sure that you want to overcome every indication of early decay that has shown itself on you. I don't think the man lives who would not like to feel as big and strong as a Sandow, and I know that if you have a reasonable foundation to build upon I can make you a bigger man than you ever hoped to be. I want you to know that, you who can't believe it, and I want you to have my book in which I describe how I learned that manly strength was only electricity, and how I learned to restore it; also I want to tell you the names of some men who will tell you that when they came to me they were physical wrecks and are now among the finest specimens of physical manhood.

A HAPPY MAN

Dear Sir: Having used your famous electric belt for thirty days, I have received the greatest benefit that a man could gain—that is, health and strength. The tired, despondent feeling has gone, I feel the beginning of a new life, and am ever your debtor.

P. O. box 482, Tucson, Arizona. W. E. CLARK.
I want you to read this book and learn the truth about my arguments. If you are not as vigorous as you would like to be, if you have rheumatic pains, weak kidneys, loss of power, day or night losses, prostatic troubles, nervous spells, varicose veins or any ailment of that kind that unmanly you, it would assure you future happiness if you would like into this method of mine. Don't delay it; your best days are slipping by. If you want this book, I send it closely sealed free if you send this ad. Call for free consultation.

WAILUKU WANTS ROAD

Plan for Opening
Up the Iao Valley.

New Line to Kihei Is
Discussed by the
Committee.

Hana People Working to Secure
Opening Up of That Country
as Soon as Possible.

WAILUKU, Maui, March 14.—The two committees appointed by the citizens of Wailuku to look after an appropriation for the Iao Valley road and other matters have been quite busy, and their reports are being sent in to the Legislature.

There is some diversity of opinion as to the route which the Iao Valley road should take from Wailuku to the entrance to the valley. A road from the end of Vineyard street, passing mauka of the cemetery was suggested, but the consensus of opinion now is that the Iao Valley road should be extended from Main street, deflecting from the street at the west end of town and following the grade of the ditch, which would practically make a level road, or one on an easy and regular grade from town to the entrance to the valley.

From the entrance to the valley a new road should be laid out, which would avoid all crossings and be above high water mark. This could be done by turning to the left at the first crossing and following up the Waikapu side of the stream until the table lands are reached. If, however, it would be better to go up on the Waihee side, then a substantial bridge should be erected at some point above the first crossing.

The question of a road extending from the end of South Market street through the sand hills of Kihei is also being discussed. While it is of prime importance to have a good road to Kihei, still the route through the sandhills seems to be of dubious utility. The Maalaea Bay road runs directly from Wailuku to Kihei, and by leaving the Kihei road where it enters the kiawe brush near Camp 7, swinging round the marsh lands, a good and almost straight road, which could always be traveled, could be built to Kihei at but small cost, comparatively.

Want Roads to Hana.

MAUI, March 14.—Last evening, the 13th, the March evening of the Makawao Literary Society took place at the residence of Dr. W. F. McConkey of Pala. There was a good attendance of the district people, who were much amused with the evening's program:

1. Piano Solo—Alcázar (Intermezzo)..... Leonard Gautier
 2. Vocal Solo—"Only in Dreams"..... Miss Mosser.
 3. Vocal Solo—"In the Deep Cold Sea"..... Mr. S. R. Dowdle.
 4. A farce in two acts—"A Spinster of Arts"..... Mr. L. R. Crook.
- Dramatis Personae:
Mr. Kent, an old gentleman..... Mr. E. B. Carley
Miss Anastasia Kent..... Miss Ethel Smith
Miss Henrietta Kent..... Miss Asbury
Percy Trimbleigh..... Mr. Ed. Peck
Benton Maxwell..... Mr. D. T. Fleming
Hiram Green, hotel servant.....
..... Mr. W. O. Alken
Miss Mosser and Messrs. Dowdle and Crook received encores. The play was of a humorous nature and created much merriment.

The Maui Representatives have recently introduced petitions in the Legislature asking appropriations for the completion of the government road to Keanae and Kailua, Huelo. Contractors W. A. McKay and J. R. Higby have constructed a good road running from Hana through the mauka lands of Nahiku, half of the way to Keanae, though the thoroughfare from Nahiku towards Keanae is rather narrow. This road, when finished, will not only open to settlers many acres of new land, but also should prove most attractive to tourists and other strangers to Maui. The mountain scenery along this highway is very beautiful. There is a most luxuriant growth of tropical trees, shrubs and ferns, covered with a network of vines interspersed with rushing waterfalls close at hand to rustic bridges crossing the roadway. At present the descent from the new road to the old is a dilapidated fern trail, which in rainy weather is most dangerous to the traveler, his horse often plunging up to the girth in mud. Then the pathway below zig-zags up and down over four of the steepest and most frightful gulches in the Territory.

Some improvement on this should surely be made.

STRAY NOTES.

A St. Patrick's dance will be given in the K. of P. Hall, Wailuku, the evening of the 17th by some of the young men of Wailuku.

The Knights of Wailuku will give a ball in April in honor of the anniversary of the dedication of their hall.

The roads of Maui are being repaired and improved all over the Island.

During the week petitions to the Legislature, praying that the county seat be established at Wailuku, have been receiving many signatures in East Maui.

Work on the new Nahiku-Keanae ditch will be begun immediately—as soon as the requisite number of laborers can be conveyed thither.

It is stated that the recent cold weather has in some places destroyed—not the lantana—but the lantana blight.

Mrs. Philip Frear of Honolulu came from Hawaii this week and will make a visit of ten days at Wailuku and Puunene.

Mr. and Mrs. Jared G. Smith and child are at the Erehwon cattle station, Kula.

Attorney Avon Crook of Honolulu made a brief visit to Maui this week.

Senator C. H. Dickey made a flying trip to the Island this week on some probate matters.

The position of nurse at the plantation hospitals is rather a trying one—

hence there are frequent changes. Miss Ruby Smith of Oakland has recently taken charge at Spreckelsville. Miss Burrill, head nurse of Pala plantation hospital, has resigned and Miss Clara Dowdle of Oakland is expected by the next steamer to take her place. Miss Dowdle is a sister of Mr. S. R. Dowdle of the Kaupakulua school.

This morning the trustees of Maunaloa Seminary held a meeting at the Pala Plantation office. Miss Clara M. Snow of Hampton, Va., has accepted the position of principal of Maunaloa Seminary to succeed Miss Alexander. Miss Snow has had much experience in teaching branches of industrial education while in Virginia. Miss Snow is expected on Maui by the middle of April.

Weather—Pleasant and dry; a light southerly wind blowing.

INFLUENZA is always more or less prevalent at this season of the year.

This disease is very similar to a severe cold and if allowed to take its course is liable to cause serious results. The best treatment for influenza is to avoid exposure and take Chamberlain's Cough Remedy. This medicine gives immediate relief and if used as directed, will ward off all dangerous consequences. It leaves the system in a natural and healthy condition. It always cures and cures quickly. Benson, Smith & Co., Ltd., wholesale agents, sell it.

Can't Eat

You certainly don't want to eat if you are not hungry. But you must eat, and you must digest your food, too. If not, you will become weak, pale, thin. Good food, good appetite, good digestion,—these are essential.

Mr. Robert Venus, of Luncheon, Tasmania, sends us his photograph and says: "I suffered greatly from loss of appetite, indigestion, pains in the stomach, weakness, and nervousness. Several doctors tried in vain to give me relief. A friend then induced me to try Ayer's Sarsaparilla, for it had done him much good. The first bottle worked wonders for me. Soon my appetite came back, my indigestion was cured, and I was strong and hearty."

AYER'S Sarsaparilla

There are many imitations "Sarsaparillas." Be sure you get Ayer's.

Keep your bowels in good condition by using Ayer's Pills. They cure constipation, coated tongue, biliousness, sick headache.
